I understand that if elected, I will be expected to sign the GVR Board of Directors Code of Conduct and Confidentiality Agreements.

If elected, you will be expected to attend one to two full days of training for new Directors.

1. Directors serve for three-year terms. Do you anticipate maintaining your GVR membership and residing in GVR's jurisdiction for the next three years? **Yes**

2. Time commitment can vary significantly depending upon the business before the Board and a Director's committee participation. Typically, the Board and committees hold regular meetings once a month, but additional meetings may be scheduled. Are you able to make this type of time commitment? Please list any time conflicts you may have.

3. On a scale of 1 (novice) to 5 (very experienced), how would you rate your technical skills with computers, iPads, tablets, teleconferencing, video/audio meetings, etc. **5**

4. Why do you want to serve on the Board of Directors?

I love living in Green Valley and the services provided to the residents. I want to give back to the community. Having served on the board of directors of several large nonprofits I would like the opportunity to bring my previous extensive experience to GVR.

5. How do you see your role as a GVR Director?

I wish to bring my experience in writing and editing bylaws, personnel management, committee work, building consensus, interpreting legal documents, budget analysis and approval. My role is to conduct research, attend meetings, assist other board members in building consensus. I will use my past experience in conducting meetings and adopting budgets. And finally, I will be positive ambassador for GVR to the community.

6. Please list any other boards, committees, task forces or volunteer activities in which you have participated in the last ten years.

Alternate representative for my HOA to the Green Valley Council  
Attend meetings of the GVC environmental committee

\* These memberships are not current.

7. Briefly explain how your education and/or previous career experiences will be beneficial to you as a Director.

My four-year degree has taught me how to research, write, and verbally present findings to others. Being licensed as a land surveyor by examination and experience, and practicing the profession for 50 years in both colonial and western states I have gained valuable experience in the variations of thought and demographics of our country. As the GVR is literally a national and international membership I can bring a somewhat unique perspective to the Board and the issues and topics it deals with.

I have held directorships in four different volunteer organizations rising to the presidency in two of them. While president of the National Society of Professional Surveyors, a 7500 member organization, I had to deal with many normal and sometimes contentious issues involving personnel, bylaws, budgets, and large internal projects.

As a certified mediator and a principal of a Colorado mediation practice, I have actually performed mediations professionally and can use these skills while communicating with both board members and the public.

As a presenter to various technical and legal organizations I have developed good verbal communication skills.

8. What unique personal talents and/or life interests would you bring to the GVR Board of Directors?

The ability to analyze both sides of an issue of debate, listen to the membership, and make informed decisions.

9. Describe your use of GVR facilities and participation in GVR activities in the past two years and how your GVR involvement has prepared you to serve on the Board of Directors.

I use the exercise equipment, occasionally play pickleball, am an active member of both the table tennis club and the hunting and fishing club, attend entertainment events as well as courses and seminars on various topics of interest. This experience has given me a first hand look and appreciation the overall facilities and activities of GVR.

By signing this application in the space below, I attest that I am a Member of Green Valley Recreation, Inc. and agree to allow GVR to publish information about me, with the exception of contact information, as provided herein.
