

Three-Month Reservation Option

GVR members have the option of making a room reservation for three months at a time. This works great for small groups that are looking for a room to play cards, exercise, or socialize on a regular basis. Three-Month Reservations can be renewed quarterly. There is no guarantee that you will have the same day or room every time.

To make a three-month reservation: contact Jody Crawford in reservations at (520) 625-3440 x7202 or email jody@gvrec.org and discuss the times and dates you are interested in. If you want to reserve January, February & March request these months starting in October. April, May & June request these months starting in January. July, August & September request these months starting in April. October, November & December request these months starting in July. All groups will designate one person on the contract who can be the contact, they will need to read and sign the GVR Facility Reservation Agreement Terms & Conditions.
