RECOMMENDATION FOR A PILOT PROGRAM FOR SOCIAL AND DANCE CLUBS

Overview

GVR was approached by certain social and dance Clubs requesting that winter visitors who are not GVR members be allowed to attend their events. The dance clubs are losing members due in part to the fact that our current guest policy states that guests need to reside outside a 20-mile radius; and must be staying at a GVR member home or local hotel. There are currently 11 GVR social and 4 GVR dance clubs that might benefit from a change in GVR's guest policy.

Recommendation

GVR Board of Directors authorize the Implementation of a pilot program for Social and Dance Clubs to have non-GVR members attend their dinner and/or dance events.

The pilot program will run from September 1, 2016 to May 31, 2017 to allow non-GVR members to participate in Social and Dance Clubs events for an additional \$4 per person; and the guest must sign a waiver. The club will pay the \$4 fee to GVR and the money will be deposited to the GVR general fund. GVR Board of Directors has the right to cancel this pilot program at any time.
