GVR Square And Round Dance Club Petition for Guest Fee Reduction

Overview

GVR Square and Round Dance Club is encouraged by the positive feedback and GVR's new policy to allow non-GVR members to be guests at club activities. The club appealed to the Board Affairs Committee to reduce the guest fee to \$2, because \$4 per guest will create an undue hardship for the club.

Recommendation

The Board Affairs Committee unanimously recommends GVR Board of Directors reduce the GVR Square and Round Dance Club guest fee to \$2 per visitor through 2018.
