5. New Business

a. Discuss Results of Questions by Arthur Mournian

- Look for a new voting hosting service provider at this time or wait until next year, if necessary.
- Current service provider acceptable for hosting the 2022 Election: with assurance of a dedicated liaison during the entire election cycle; with focus on Arizona time; GVR members can use electronic or mail-in; and if necessary, have kiosks (located at GVR facilities) for voting.

b. Discuss Voting Company

Committee members want all printed election materials to have the GVR logo and to be approved by GVR staff before printing. The Election Service Provider, Vote-Now, has informed GVR they have a vote by telephone option available. Committee members were interested in understanding the cost and security of telephone voting. Staff to get the information to the Committee.
